

Make Preventive Care Simple with **CheckUps**

Powered by PathFinder Health | Available through The Alliance Network

With **The Alliance** network, your employees and their eligible family members (adults 18+) have access to **CheckUps**, a fast, convenient, and virtual way to complete their annual preventive checkup at no cost. There's no setup required and no added cost to you. Just share this resource with your employees and they can start using it right away.

Skip the Wait

Annual preventive checkups can take 3-6 months to schedule. With **CheckUps**, employees can complete their annual preventive checkup right away, from their home or wherever it is most convenient for them!

No Cost

CheckUps is 100% covered by your health plan at no cost to your employees, **PathFinder Health** delivers their annual preventive checkup with no co-pay, no deductible & no out-of-pocket expenses, guaranteed.

Checkups Is a Powerful Way to Drive Engagement

CheckUps increases participation by using an independent doctor to give employees personalized advice on the care they need. **PathFinder** makes the checkup process quick and efficient, and it works alongside company health programs and primary care options, like Direct Primary Care or Virtual Primary Care. **CheckUps** is a simple decision, which encourages more employees take part and leading to higher engagement overall.
